

SPEAKER BARRETT: The amendment is adopted.

CLERK: Mr. President, Senator Wesely would move to amend the bill. Senator, I have AM1802 before me. (Wesely amendment found on page 563 of the Legislative Journal.)

SPEAKER BARRETT: Senator Wesely.

SENATOR WESELY: Thank you. Mr. Speaker, members, the Bill Drafting Office and the Health Department caught some technical problems with the bill in terms of the references to statutes. This amendment would clarify those references. I would move its adoption.

SPEAKER BARRETT: Thank you. Discussion on the amendment offered by Senator Wesely? Seeing none, the question is the adoption of the amendment. All in favor vote aye, opposed nay. Voting on the Wesely amendment. Have you all voted? Please record, Mr. Clerk.

CLERK: 26 ayes, 0 nays, Mr. President, on adoption of Senator Wesely's amendment to the bill.

SPEAKER BARRETT: The amendment is adopted.

CLERK: Mr. President, Senator Lynch would move to amend the bill. (See Lynch amendment on page 671 of the Legislative Journal.)

SPEAKER BARRETT: Senator Lynch, please.

SENATOR LYNCH: Yeah, Mr. President and members, now, finally, I apologize for all this, we can vote for the original amendment we talked about the other day as contained with the amendment to the amendment and the amendment and the technical amendments by Senator Wesely, and now we are back to the original amendment with the exceptions of those lines being stricken after "a" in line 6 and following "home" in line 7. With the technical amendments, I move the adoption of this amendment and of the bill.

SPEAKER BARRETT: Any discussion on the amendment offered by Senator Lynch? If not, all in favor of the adoption of that amendment vote aye, opposed nay. Please record.
